A Bullittsburg Featherie Event

FEATHERS is a golf-related game played on 9 holes of a regulation golf course. However, it is unique in that it only involves putting on the greens. Participants travel to each green using golf carts. This creates the opportunity for almost anyone to participate, including small children, seniors, or those with disabilities.

TYPE OF GAME: This game of Feathers is a Featherie Golf Era Event circa 1700s. It is played with reproduction putting cleeks and featherie balls of that era.

COST: This event is FREE for all players. Bullittsburg simply welcomes you to celebrate their 225th anniversary with them!

TIME: Times available from 2:00 - 4:00 p.m. Groups will start every 8 minutes. The game requires approximately one hour to complete.

*** Putting cleeks and featherie balls will be provided ***
